RATION INDIVIDUAL

Meal Ready to Eat

ration food that increase energy and are suitable for military use

MRE INDIVIDUAL is a kind of food that uses all kinds of Fried Rice and compressed dry food as the main food, with seasoning, sauce and instant drinks as the supplementary food, and uses flameless self heating staple food. It is a customized ration according to the requirements of the Chinese military, mainly supplied to the armed forces, and is a self heating food for individual soldiers.

We also provide customers with a variety of canned meat and fruit products.

The product has a shelf life of 3 years&Maximum 5 years and is produced using automated equipment and sterile workshops,Production of safe food.

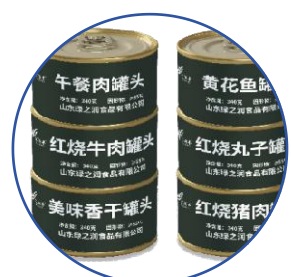

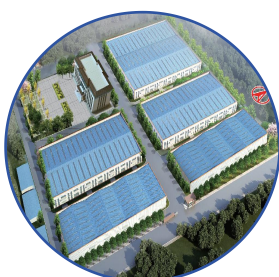

The product quality&safety complies with ISO9001 、 ISO22000 、 Intertek standards.Certification halal.

We can provide high-quality Rate Food to global users, allowing them to customize products and design packaging according to their requirements. We can also customize products according to their taste and provide OEM services.

We can also provide all halal products.

Self-heating rice is a convenient food product that has gained popularity in recent years.

Quick explanation of how it works,it typically comes in a specially designed pouch,This pouch contains all the components needed to heat the rice without using an external heat source like fire.After activation, you would need to wait for a specific amount of time,usually around 10-15 minutes,for the rice to heat up to an edible temperature.

We offer the following standard Menus

Beef Menu 1 645g Energy (kJ).....5090

Beef Menu 2 890g Energy (kJ).....9888

Beef Menu 3 908g Energy (kJ).....10408

Chicken Menu 1 645g Energy (kJ).....4961

Chicken Menu2 890g Energy (kJ).....9759

Chicken Menu3 908g Energy (kJ).....10279

Buyers can put forward purchase requirements based on:

different menu combinations, 1 meal/2 meals/3 meals, or combinations based on energy requirements.

Beef

Menu 1
